DEMA Artist

Vasiliki Dimitra Kailoglou | Visual Artist & Independent Researcher | Athens, Greece

Website: demavisualartist.com **Email:** vslkdimkailog@gmail.com

PROFILE

DEMA Artist is a visual artist and independent researcher whose practice moves across installation, mixed media, visual research, symbolism, perception, memory and speculative thought. Her professional background also includes more than a decade of work in makeup artistry, a field that shaped her long-term interest in image, identity, transformation and the human form.

SELECTED ARTISTIC DIRECTIONS

Installation art; mixed media; assemblage; operative images; symbolic systems; research-led practice; speculative futures.

SELECTED PROJECTS

MGDE - Matrix Global Domino Effect - conceptual mixed-media installation exploring interconnected systems, transmission and transformation.

Solaris in Transit - installation/research project engaging perception, systems and speculative movement.

Freehand Freestyle Flow State - gestural mixed-media work developed through freehand, intuitive flow-state practice.

The Madonna's House Heirloom - developing project centered on intergenerational Greek memory, inherited textile, material fragility and cultural transmission.

PROFESSIONAL BACKGROUND

10+ years professional experience in makeup and beauty, including freelance practice and fashion-related work.

CURRENT AVAILABILITY

Available for exhibitions, curatorial projects, commissions, artist features, interviews and research-led collaborations.
